

BUSINESS

NORTH LANARKSHIRE IS GOING PLACES

North Lanarkshire is **the** place in Scotland to...

Live

Eight new town hubs providing better community facilities

Learn

Tackling **digital exclusion** and closing the education gap

Work

Fast growing economy and employment rate of **75.1%** - above Scotland's average

Invest

10 year **£3.5bn** investment in housing and the City Deal programme

Visit

Authentic experiences and world-class events

A council rebuilding and moving forward

Using digital technology to:

Deliver services to residents

Mitigate the potential impact of coronavirus

Help staff work more flexibly

Improve digital access across the region

Protect against future pandemics

Our home in Scotland

- A **15-year** partnership
- **233 employees** at Belshill hub, our key business site in Scotland

233 employees

Long-term regional investment:

70%

Almost **70% coverage**

&

84%

84% social housing connectivity

Fibre installed in **3,300 buildings** across Shotts and Harthill in **2021**

Working hand in hand with North Lanarkshire through recovery and into the future

We're committed to:

Equal access to connectivity:

- **10Gbit/s** to secondary schools
- **1Gbit/s** to other sites
- **WiFi broadcast** from new community hubs

Tackling **digital exclusion** with joint initiatives

Affordable **high-speed internet** for businesses

Ultrafast public **WiFi**

Strong **4G coverage** - and **5G** by **2023**

Smart Cities becoming a reality with:

- **Internet of things** as standard
- **4,200 powered street cabinets** to deliver future services such as electric vehicle charging points

We're on your wavelength.

It's a time of recovery – but also powering ahead with North Lanarkshire council's vision.

With our deep commitment to the region, we can help transform connectivity to take North Lanarkshire into the next decade and beyond.

If you'd like to find out more about how we can work together, please get in touch.
